Tanzania Honeymoon Safari

HONEYMOON EXPERIENCE WITH AFRICAN SCENIC SAFARIS

When imagining a honeymoon safari in Africa, very often thoughts bring to mind vast open savannahs, balloon safaris, secluded, luxury tents and intimate moments gazing over huge herds of animals. A Tanzania Honeymoon Safari is all this, and so much more.

Offering a true 'Out of Africa' experience, romance can be found in the beautiful landscapes of vast open plains and the unspoilt, palm-fringed beaches of the coast. Combine this with unbeatable wildlife, including the 'Big 5' and the famous [Serengeti Wildbeest Migration](#); excellent service and guiding; a huge array of luxury accommodation and the unique Maasai and Swahili culture, and you have a dream honeymoon courtesy of African Scenic Safaris.

Your dedicated honeymoon specialist will know Tanzania intimately and will steer you away from the throngs of jeeps and busy lodges, towards our carefully chosen remote and romantic camps and lodges. Usually very small, these hidden-away properties go the extra mile for honeymooners, offering exclusive dining, special surprises and unique experiences such as the opportunity to sleep-out under the stars or picnic in the middle of the bush. It is these memorable magical moments that well and truly 'make' a honeymoon, and Tanzania is full of them!
